A Message from our Principal

Colour Explosion

What a fantastic day we had on Friday! The Ashmont Colour Explosion was all action and excitement as students moved through tabloid activities ending up being covered in a rainbow of colours. They all looked so cool in their sunnies and headbands and really enjoyed the Super Doopers to cool them down at the end of the day. Thank you to Nikola and James Kinder and Peter Moran for their wonderful organisation, the parents who assisted by filling colour bottles and the teachers for running the tabloid activities.

Proud and Deadly Awards

Congratulations to all the students who received an award at the Proud and Deadly Award Ceremony on Thursday at the Wagga Commercial Club. Congratulations also to Mrs Barratt's dance group assisted by Jya Little. They performed for the combined primary schools and all the official guests beautifully. I am extremely proud of the achievements of our students.

Scooters

Just a reminder that scooters are not to be brought to school. This has been a rule at Ashmont Public for many years due to safety and security issues. Students riding bikes to school need to remember to wear their helmets. Parents of students without a helmet will be called to drop in a helmet or to pick up bikes at the end of the day.

Infants Science Day

It was great to pop into our Stage 1 classes last Thursday and see our young scientists in action. Each class had two experiments happening and the four classes rotated through them for the day. I wasn't game enough to taste the sherbet made in 1 Yellow, milk turned into plastic in Year 2 and I am very glad the sparkly explosion in 1 Lime was only small.

Sydney Excursion

Excitement is really mounting in Stage 3 as the students prepare for their excursion to Sydney next week. The teachers and students will have a very early start on Wednesday when they need to be at school at 5:45am ready to catch the bus. They will get to visit a number of exciting places like The Rocks and Circular Quay, Taronga Zoo, the Powerhouse Museum, and the Observatory with the final day being at Darling Harbour and the Aquarium. What a fantastic experience for our students!

Proud and Deadly Awards

Last Thursday 16th November, Riverina schools celebrated Aboriginal & Torres Strait Islander students' education at the Proud & Deadly awards. We had 28 students recognised for their achievements in education. It is a great community event and we had lots of families come along and watch their children. This was followed by a community sausage sizzle.
