## A Message from our Principal

### **New Leaders Election**

I was very proud listening to the speeches of our potential leaders at assembly on Monday morning. There were some very nervous students standing before the whole school as well as many parents, presenting reasons why they would make good leaders for our school. They all did a marvellous job. Now we just have to wait until next Monday to find out who was successful in gaining a leadership position.

### **Sydney Excursion**

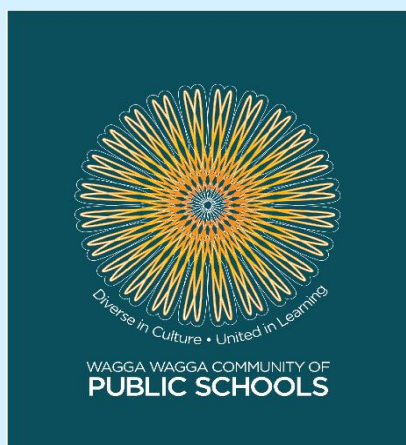

Stage 3 students returned, a little later than anticipated, on Friday evening from a very action packed and enjoyable trip to Sydney. Braving the torrential rain on Wednesday to get there, they managed to cram so many sights and activities in, there was barely time to sleep. Thank you to Miss Konemann, Mr Wendt and Mrs Whittaker who supervised the excursion and to Mrs Barratt for her organisation. It is these special experiences that the students will always remember.

### **High School Orientation**

Today our Year 6 students are heading to Mt Austin High School next year to participate in an orientation day. All high schools have been holding transition activities to prepare our students for this major step in their academic lives. Scary but exciting at the same time!

### **Presentation Night**

Next Monday is our annual Presentation Night at Mt Austin High School where we acknowledge the successes of our students throughout the year. The night starts promptly at 6:00pm and finishes at approximately 7:30pm. Make sure you are there for a chance at our lucky door prize. Tickets will be at the door. The prize will only be given to the person whose name is on the ticket. If they are not there it will be redrawn.

### Stage 3 Sydney Excursion

Last week, Stage 3 students went on their long awaited excursion to Sydney. The children visited many places, including the Powerhouse Museum, Sydney Observatory, the Aquarium and even took a ride on the ferry across to see the animals at Taronga Zoo. It was a jam-packed three days and lots of fun was had. The students enjoyed their adventure and many happy memories were created.
