## A Message from our Principal

### **Let's Dance Spectacular**

Last Friday we held our special event to showcase the dance and choral talents of our students from Kindergarten to Year 6. The occasion was celebrated with over 280 school community members, who were entertained for over an hour. This was such an amazing event and everyone could feel the joy and pride of every student that performed.

Thank you to everyone that supported the event including Ms Barratt for her dancing expertise and event coordination, Mr Lihou support of our primary CHORDS choir, Mr Jones for sound and digital backdrops, Ms Terry for painted backdrops, Mrs Schneider for backstage support, classroom teachers, parents and of course our fantastic students. This is truly the events that our students will remember into their future.

### **Aboriginal Performance- Gwenda Stanley**

Students in Kinderstart, Kindergarten, Year 1 and Year 2 were invited to attend a *Sharing Culture* performance on Monday 16 November. Brospeak and Sistaspeak students also were invited to attend.

Students were thoroughly entertained learning about Aboriginal culture, dance, language and tools and weapons. The performance was very engaging for all students.

Please see next page for photo.

### Kinderstart

It has been very busy down here in Kinderstart. Firstly I would like to thank the families who made it to our Kinder orientation day where they received their kinder packs for next year. Everyone should have these now. I would also like to thank the parents/carers who were able to make it to our 'Skills for School' talk presented by the Rivmed staff. There was some very valuable information presented, that will help guide you at home.

Speech screening has begun with Kate Harvey and Alison Graham. We want all of the children to have the best start to school they can, so the extra resources and help from Kate and Alison will be an excellent start.

Rivmed will be coming in to Kinderstart this week to complete their health screens. The children's hearing and eye sight will be tested along with their hearing and a general health check. Checks will be completed on Tuesday 24 and Friday 27 November.

In the Kinderstart room we have been focusing on number recognition and sequencing. The children are getting quite good with their numbers. They have also been working on letter formation and name writing. We are getting quite good at our Christmas song and hope to see everyone at the Infants' Christmas concert on 4 December.
